10. (Confidential - GLC) Met briefly with Mr. Kenneth Harkins of the House Judiciary Committee staff to advise him that Mr. Houston was personally screening our operational files in an effort to weed out material which would not be of interest to the Committee in its investigation of the Douglas impeachment resolutions. I told him that we would be in touch with him in a few days when this process had been completed. I also told him that in discussing this further with our people it appeared that less information was involved than we had originally anticipated. I also told him we assumed he was not interested in our files having to do with [REDACTED] Harkins confirmed that and went on to say that he was not interested in information on [REDACTED]
